

LIVE-IN MAINTENANCE & PROPERTY SUPPORT POSITION

Durbanville Children's Home is seeking a responsible, reliable and hands-on individual to reside in our Maintenance House on the Durbanville Children's Home premises.

KEY RESPONSIBILITIES

1. Additional Working Hours

The resident will be expected to work an additional 20 hours per month to assist with operational and maintenance requirements.

2. After-Hours and Weekend Availability

The resident must be available to respond to maintenance emergencies that may arise after hours and over weekends, where necessary.

3. General Maintenance Knowledge

The resident must have a sound understanding of maintenance requirements relating to the entire property of Durbanville Children's Home, including its buildings, facilities, and grounds.

4. Emergency Driving Assistance

The resident must be available to assist with emergency and school driving where required.

5. Property Lighting and General Vigilance

The resident is expected to remain vigilant regarding the property's exterior lighting at night, identify faulty or inadequate lighting, and report areas where improvements may be required to enhance the safety and security of the premises.

LIVE-IN REQUIREMENT

The successful candidate will reside in the Maintenance House on the Durbanville Children's Home premises. The position requires someone who understands the responsibilities associated with living on site and is willing to contribute to the safety, security and general functioning of the Home.

APPLICATIONS

If you are a dependable, practical and security-conscious person who takes pride in maintaining a property and supporting a team caring for vulnerable children, please send your CV and a short motivation to:
